COUNCIL FIVE YEAR PLAN

A group of knights have been working on updating our Five Year Plan for review and approval by the council. This plan will be presented to the council at the next regular meeting, October 16, 2008, at the K of C Hall, starting at 7:30 PM for discussion and approval to move forward.

We would like as many members as possible at that meeting to share their comments and thoughts on the plan direction. The input of the members is needed to go forward. Our council will only be as good as the number of members who actively participate and work to make it an effective and thriving council.

Please make every effort to attend this meeting even if it would happen to be your first meeting in a long time. The Council needs and wants your active participation

and your input.
